Experience

TA and Part-Time Instructor

Tech Talent South
Phoenix, AZ

Mar - May 2018

- After graduating from Tech Talent South I volunteered to be a TA for the next cohort. Within a couple weeks they had me teaching every other class on my own. The curriculum covered HTML, CSS, JavaScript, Ruby, Rails, and MySQL.

Climbing Coach / Route Setter

AZ On The Rocks
Scottsdale, AZ

May 2016 - Jan 2017

- Climbing is one of my favorite hobbies. When I decided to pursue a career in software development I took a job as a coach for a youth climbing team. This allowed me more time to begin teaching myself to code.

Insurance Claims Adjuster

State Farm (auto)
Phoenix, AZ
Ameriprise (home)
Phoenix, AZ
Pilot Cat Services (home)
Mobile, AL

Oct 2015 - May 2016

Jan 2015 - Jun 2015

Sept 2008 - Dec 2014

- As an insurance adjuster I handled home and auto claims both in-house and out in the field. I would make initial contact with the policy holder to discuss the policy and schedule appointments, inspect the loss, determine coverage, and issue payments.
